Dear Sir

REGISTRATION CERTIFICATE: GOVERNMENT NOTICE NUMBER 519 TO REGISTER FOR WATER USE IN TERM OF NATIONAL WATER ACT

1. The above-mentioned subject and your register number have bearing on this matter.
2. In terms of paragraph 3(b) of Regulation 1352 dated 12 November 1999 a person who uses water as contemplated in section 21 of the National Water Act, 1998 (Act No. 36 of 1998) must, when called upon by the responsible authority to do so, register the water use. The registration of water use was requested by Notice Number 519, published in the Government Gazette Number 32209, dated 06 May 2009.
3. The Department would like to take this opportunity to thank you for your co-operation in this regard. Attached please find your Registration Certificates Number **28090351** dated **01/02/2016** for your water use(s). This number will also be your account number for any monies that may be debited against you for your registered water uses. Please note that this certificate is not an acknowledgement of entitlement to the registered water use, nor does it create any such entitlement.
4. The registration of water use can be seen as the first building block in ensuring the correct and equitable application of the National Water Act. The registration process required that all water uses, despite the legal status thereof, had to be registered. The only requirement was that it must be an existing use, whether lawful or not.
5. Should you have any queries, questions or concerns regarding your water use, please do not hesitate to call this office at the above mentioned particulars.
6. For completeness and correctness check, please use attached form to acknowledge your certificate. Once more our gratitude is indebted to you for registering your water use with our Department.

Yours faithfully
